

Dear Students,

Welcome to the Koç University School of Nursing.

The first step to join us is your registration. Registration procedures will be held on Koç University's Rumeli Feneri Campus (Sarıyer) on August 14-18, 2017.

School of Nursing is in Koç University's Topkapı Health Sciences Campus. English preparatory class (ELC) and first year's courses will be held on Rumeli Feneri Campus. The students will be in Topkapı Campus beginning from the second year.

Similarly, English preparatory class and first year dorms are in Rumeli Feneri West Campus and beginning from the second year you will be in the dorms which are in Zeytinburnu. It will be asked you if you want to stay in dorms or not during the registration. If you want to stay in the dorms you will pay 400 TL security deposit for a possible damage.

You are expected to submit your vaccine records during the registration. You should especially submit your lung x-ray report and Hepatitis B vaccination. You can submit your vaccination record to School of Nursing Faculty Administrative Assistant during the first week of the 2017-2018 Academic Year. If you have other vaccination reports (tetanus, measles, etc.) please also submit these ones.

There will be "New Student Orientation Program" on September 13-14-15. The program's purpose is to blend the Freshmans to their academic and social lives in Koç University. We urge you to be in Rumeli Feneri Campus on September 13. You will meet with your "mentor" students in the same day who will guide you during the Orientation program and your first year. You can find the detailed information about the "New Student Orientation Program" from the following link; [New Student Orientation Program](#).

I wish you successful years in the School of Nursing.

Prof. Ayşe Ferda Ocakçı
Acting Dean of School of Nursing
